

Keeneland Association Inc. Pick Six (6) Rules

The object of the Pick 6 is to select the first place finisher in each of six (6) races on the same racing program designated by the Association (Keeneland) with the approval of the Kentucky State Racing Commission

1. The Pick 6 pari-mutuel pool is not a parlay and has no connection with, or is in any way related to any other pari-mutuel pool conducted by the Association.
2. The Pick 6 pari-mutuel pool consists of amounts contributed for a win only selection in each of six (6) races designated by the Association.
3. Entries/Couplings: Those horses constituting an entry of coupled horses, or those horses coupled to constitute the mutuel field in a race comprising the Pick 6, shall race as a single wagering interest for the purpose of the Pick 6 pari-mutuel pool calculations and payouts to the public. However, if any part of either an entry or the field, racing as a single wagering interest is a starter in a race, the entry or the field selection shall remain as the designated selection to win in that race for the Pick 6 calculation and the selection shall not be deemed a scratch.
4. Surface Change: In the unlikely event the condition of the turf course warrants a change in racing surface in the second or subsequent legs of the Pick-6 races, and such change was not made known to the public prior to the close of wagering for the Pick-6 pool, the stewards shall declare the changed leg an "All Win" race for Pick-6 wagering purposes only. An "All Win" race will assign the winner of that race to each valid Pick-6 ticket holder as his or her selection for that race.
5. "Scratched horses and nonstarters. If at any time after wagering has begun on the Pick 6 pool, should an entire betting entry or field be scratched or declared a nonstarter in any Pick 6 race, no further tickets selecting such betting entry or field shall be issued, and wagers upon such betting entry or field, for the purposes of the Pick 6 pool, shall be deemed wagers upon the betting or field (designated horse) upon which the most wagering money has been registered at the track in the win pool at the close of win-pool wagering for such race.
6. The Pick 6 pari-mutuel pool shall be calculated as follows:
 - a. The net amount of the Pick 6 pari-mutuel pool will be divided into the major share of (75%) and the minor or consolation share of (25%).
7. Dead Heat: Each horse in a dead heat for win shall be considered the winner and no allocations among wagers shall be made as a result thereof, unlike the practice in a pari-mutuel win pool. The payoff price per dollar shall be the same for each class of winning wager.
8. Unforeseen Circumstances: Should circumstances occur which are not foreseen in this section, questions arising thereby shall be resolved in accordance with general pari-mutuel practices. Decisions regarding distribution of Pick 6 pools will be final.
9. Advertised added monies or minimum distributions shall not apply to intermediate or final distributions, unless a wager correctly selects winners of all six designated races, or five winners and no more than one "all win" leg of the Pick 6 pool.
